SENATOR BARNETT: Okay, then I address my next question to Senator Marsh, I would like to support what she is trying to recommend because I think if our committee is going to hear the bill or to hear the resolution I should say, that we will need every bit of evidence that we can get into the case to hear this resolution, so I would like to support that we go ahead with your idea at this time.

SPEAKER: Any further discussion of the motion? Senator Carpenter.

SENATOR CARPENTER: Just one short word. I hope the press will disseminate the news that these ladies are going to have 30 days to create their forces and I hope that this building and the grounds around the building are large enough to accommodate them, if they're not, I would hope that we put loud speakers outside, we're giving them 30 days notice to get organized, this is a good thing for them and it's good for us, and they will understand how Government works for the first time in their life.

SPEAKER: Once again, is there any further discussion on the motion? Senator Marsh would you care to close on your motion. Senator Marsh is closing.

SENATOR MARSH: I think we'll go ahead and vote right now before there is more discussion. Thank you.

SPEAKER: Do you all understand the motion? The motion is to request an Attorney General's opinion, official Attorney General's opinion regarding Legislative Resolution #86. All those in favor of the motion vote aye, all those opposed vote no. Have you all voted? Once again have you all voted? The Clerk will record the vote.

CLERK: 24 ayes, 17 nays, Mr. President.

SPEAKER: Motion fails. Are there any other motions on the desk? The Chair recognizes Senator Marsh.

SENATOR MARSH: Would this be a proper time to make the notation that the Resolution #9 has the incorrect number on it, if we are discussing what was ratified last year because it is not the Resolution #83, which was the ratification of the Federal Government.
